The processing of submitted articles, publishing and printing of articles are managed mainly with two revenue sources, (1) Author registration and (Subscriptions). Authors have to pay the minimum processing charges for article processing and for printed copy of the journal. The individual or institutional subscribers can subscribe the journal per annual subscription or 5 year subscription. With this subscription, individual or institutions get the printed copy of every issue of IJEE.

The minimum processing charges of article are;

For Indian Authors: 3000 INR
For Foreign Authors: 200 USD

Based on the special requests of authors from developing countries there will be waive of article processing charges.

The Subscription Charges are;

For Individual Subscription: 3500 INR/250 USD
For Institutional Subscription: 4000 INR/300 USD
